

REMARKS

Claims 1-20 and 22-30 presently appear in this case. The above amendments are made to correct the claim dependencies of those claims which are improperly multi-dependent under U.S. Practice so that such claims will be placed in better form for U.S. practice and will therefore be examined, and also to eliminate all multi-dependencies in order to reduce the government filing fee.

Such amendments are made entirely without prejudice to applicant's rights to later present claims of varying scope encompassed by the multi-dependencies deleted above, applicants respectfully reserving their right to add claims at a later stage commensurate in scope with claims which may have been eliminated by the removal of all multi-dependencies. The amendments made above are thus made without dedication, disclaimer, abandonment, waiver, forfeiture, renunciation, concession, and/or surrender of any kind. The amendments made above are not "narrowing" amendments. The scope of the claims has not been reduced; no limitations have been added and none are intended.

Applicants respectfully await the result of an examination on the merits.

Respectfully submitted,
